Figure 1: A black and white photograph of a large, ornate, light-colored stone archway (a triumphal arch) with a decorative keystone. The archway is set against a plain wall and is partially obscured by a dark, shadowed area on the left side. The archway has multiple layers of arches and is topped with a decorative finial. The image is grainy and appears to be a scan of a printed document.

Date	Description
1/1/2020	Initial assessment and planning.
1/15/2020	Review of project progress and budget.
2/1/2020	Implementation of Phase 1.
2/15/2020	Mid-term review and adjustments.
3/1/2020	Completion of Phase 1 and start of Phase 2.
3/15/2020	Review of Phase 2 progress.
4/1/2020	Final assessment and reporting.
4/15/2020	Project closure and evaluation.

Figure 1. Three-dimensional finite element model of the lumbar spine.
